2026 YEAR OF ST. FRANCIS RESOURCES

Here is a snip-it of information concerning the current year of St. Francis that Pope Leo has named for 2026:

"While the fruits of grace of the Ordinary Jubilee of the Year 2025, which has just ended, in which we have all been urged to become pilgrims of that hope that does not disappoint (cf. Rm 5:5), are still present and effective, a new occasion for jubilation and sanctification is added to it as an ideal continuation: the eighth centenary of the happy passing of Saint Francis of Assisi from earthly life to his heavenly homeland (3 October 1226).

In recent years, other important Jubilees have concerned the person and the words of the Saint of Assisi: the eighth centenary of the creation of the first Nativity Scene in Greccio, the composition of the Canticle of the Creatures, hymn to the holy beauty of creation, and the impression of the Holy Stigmata, which took place on Mount Verna, almost a new Calvary, two years before his death. The year 2026 will mark the culmination and fulfilment of all the preceding celebrations: indeed, it will be the Year of Saint Francis and we are all called to become saints in the contemporary world, following the example of the *Seraphic Patriarch*."

MENTAL HEALTH MINISTRY

Dignity Doesn't Expire.

MAiD is being offered to people who are lonely, disabled, or struggling, even if they have not asked for it or are not dying. **This is putting patients' lives at risk.**

In March 2027, a federal law will come into effect, making MAiD available to patients with mental illnesses.

Write to the Saskatchewan Minister of Health to call for stronger patient & provider safeguards around MAiD in Saskatchewan.
