RESCHEDULED - SACRED TABLE ZOOM TRAINING - New!

SACREDTABLE is a Diocesan Initiative that aims to support the families using a 2-pronged approach: training for parish leaders in synodal listening and strategic planning for ministries with families.

The new training will be on Mondays, February 9 and 23, from 6:30 to 8:00 p.m. To attend the second evening, one must have participated in the first.

Here is the new registration link: <https://forms.gle/jYfc8nrRitMxvx5Q7>

A few takeaways from those who participated in the Diocesan SacredTable leadership training in the fall:

- * I need to build a relationship with the parents by having conversations with them about where they are in their faith journey.
- * The importance of forming a relationship with parents and making them welcome when they do come.
- * Without first accompaniment and a faith foundation in the family, our efforts yield poor results. Education without formation bears little fruit.
- * Parent accompaniment is Necessary! (emphasis added by participant)

MENTAL HEALTH MINISTRY

Dignity Doesn't Expire.

MAiD is being offered to people who are lonely, disabled, or struggling, even if they have not asked for it or are not dying. **This is putting patients' lives at risk.**

In March 2027, a federal law will come into effect, making MAiD available to patients with mental illnesses.

Write to the Saskatchewan Minister of Health to call for stronger patient & provider safeguards around MAiD in Saskatchewan.

SOCIAL JUSTICE

As many of you know, the Salvation Army building burnt to the ground on Christmas Day. They have recently been doing extensive renovations at the Centre, bringing in new kitchen equipment etc. The Salvation Army building was used as a soup kitchen for lunch six days a week and recently opened the warming Centre. Many homeless people and others were served at this Centre. We as a Catholic community were invited to provide lunch on every 5th or 6th Saturday. With the Bishop's support, Prince Albert parishes and the parish in Albertville have been involved for the past 12-13 years. The whole community was very saddened to see what happened to the Centre as we made many good memories there and helped many needy persons through the years."

The best way to help the Salvation Army is by financially supporting the lunch program. Funds that are donated can be used to purchase food items as the volunteers build the weekly menus. We can all continue to support this very important ministry by donations and volunteering when possible. The folks at the Salvation Army are setting up at the Union Centre in Prince Albert for now. They are starting out with nothing as kitchen appliances, utensils, dinnerware were all lost in the fire.

Please help if you are able. You can send donations to : <https://tinyurl.com/3k8w38fw> or phone 1 800 725-2769. Thank you.

DEVELOPMENT AND PEACE

Development and Peace — Caritas Canada is about to kick off its 2026 Share Lent campaign, *On Track for Justice*. The campaign will introduce Canadians to our Brazilian partner, *Justiça nos Trilhos* (JnT; Justice on Rails) and the people it serves. These are rural communities whose lives are disrupted by industrial pollution; industrial agriculture; one of the world's largest open-pit iron mines; and the operation of the Carajás Railway, which connects the mine to a port nearly 900 kilometres away. It's a richly detailed campaign that touches on issues social and ecological justice. Its success will require the full attention and engagement of the faithful across Canada. And to get those, we need your help. We are hoping you will promote the following through your newsletter, social media channels and other communications platforms:

- **Our campaign materials**

The campaign poster, mini-magazine, prayer card, solidarity calendar and three brochures are available to order. Orders must be placed **by January 28** using our [online form](#). Other materials are already [available to download](#).

- **Training workshops**

Our animators are conducting campaign training workshops across Canada through January and February. Details of these can be found on the [events page of our website](#).

- **Campaign launch webinar**

The *On Track for Justice* campaign will be launched at webinar on **Saturday, February 21, 2026, at 1:30 p.m. ET**. Fr. Dario Bossi, from *Justiça nos Trilhos*, and a member of the community will explain how and why the people "resist to exist;"

what they are defending; and how we can help them. [Advance registration is required.](#)

- **Weekly Lenten newsletter**

Piloted last year and back by popular demand, our **special weekly Lenten newsletter** will deliver campaign-related information, reflections, insights and prayers into inboxes **every Friday from February 20 to March 27, 2026**. People can [subscribe on our website](#). We even have a [poster with a QR code](#) and a [sign-up sheet](#) that can be used to promote this weekly newsletter.
